Your attention is invited to the captioned subject & reference cited.

It is observed that several Assessment Agencies are calling frequently Head Office over phone regarding the payments of assessment bills which were pending since long at the districts. In the reference cited, several instructions have already been issued to all districts through mail regarding payments of assessment bills.

Hence, once again all the Project Directors and Project Officer-VMC are hereby directed to claim all the pending assessment bills with the supporting documents in AAFP on or before 14-02-2019. Pending Bills received after 14-02-2019 cannot be processed in AAFP.

The Project Directors are instructed to take immediate action for clearing all the pending bills. The Head office is no way responsible for delayed payments. Project Director/Project Officer and LH will be kept responsible in case of failure.

Yours faithfully,

  
For MISSION DIRECTOR
